

Greetings from the Friends!

Thank you for your interest in applying for the Brooks Joseph Dufour Memorial Scholarship to participate in a Nature Day Camp/ Tadpole Patrol program with the Friends of the Cobbossee Watershed. In an effort to reduce financial barriers to attending our programs, the Friends strive to provide assistance when needed. This application will allow the Friends to become better acquainted with you and your interests. Scholarship funds are limited and in order to maximize the number of recipients, we encourage you to pay what you can.

The Brooks Joseph Dufour Memorial Scholarship was created to commemorate a young child whose life ended way too soon. Brooks was just shy of five months old when his heart stopped beating overnight on Sunday, October 5, 2015 and he passed away peacefully in his crib. Both of Brooks parents have been members of the Friends staff and it was expected that Brooks would grow up to enjoy the Friends programs...and possibly even join the Friends as a staff member. In memory of this little boy who already loved being outside (and looking up at the sky), the "Brooks Joseph Dufour Memorial Scholarship" was created.
